Só Dança's Pro Tap are the signature shoes of DERICK K. GRANT, AARON TOLSON and CHRIS MATALLO. The Pro Tap shoes are superbly constructed, very durable and deliver exceptional sound.

The following pages illustrate the wide variety of available materials/colors as well as a number of suggestions for TA 780 or TA 880 Special Order. The colors for heart, tongue and laces are also available in a variety of color options.

A Special Form is required with the order. Please call customer service for assistance.

Customers should note that no shoes made with fabric or suede have the same durability of genuine leather. The dancers should not expect the same life span. Therefore, Só Dança recommends the exclusive use of leather shoes for lengthy rehearsal or classes while saving the fabric or suede shoes for performance only.
